

The Methodist church – Preamble to Safeguarding Policy

Statement of safeguarding principles

Every person has a value and dignity which comes directly from the creation of humans in God's own image and likeness. Christians see this potential as fulfilled by God's re-creation of us in Christ. Among other things this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

Principles

We are committed to:

- the care and nurture of, and respectful pastoral ministry with, all children, young people and adults
- the safeguarding and protection of all children, young people and adults when they are vulnerable
- the establishing of safe, caring communities which provide a loving environment where there is informed vigilance as to the dangers of abuse.

We will carefully select and train all those with any responsibility within the Church, in line with safer recruitment principles, including the use of criminal records disclosures and registration with¹ the relevant vetting and barring schemes.

We will respond without delay to every complaint made which suggests that a child, young person or adult may have been harmed, cooperating with the police and local authority in any investigation.

We will seek to work with anyone who has suffered abuse, developing with them an appropriate ministry of informed pastoral care.

We will seek to challenge any abuse of power, especially by anyone in a position of trust.

We will seek to offer pastoral care and support, including supervision and referral to the proper authorities, to any member of our Church community known to have offended against a child, young person or vulnerable adult.

In all these principles we will follow legislation, guidance and recognised good practice.

Safeguarding Children and Vulnerable Adults Policy for

Wymondham Methodist Church

This policy was agreed at a Church Council held on 30th October 2019.

The Methodist Church, along with the whole Christian community, believes each person has a value and dignity which comes directly from God's creation in God's own image and likeness. Christians see this as fulfilled by God's re-creation of us in Christ. Among other things, this implies a duty to value all people as bearing the image of God and therefore to protect them from harm.

Wymondham Methodist Church is committed to the safeguarding and protection of all children, young people & adults and affirms that the needs of children or of people when they are vulnerable and at risk are paramount.

Wymondham Methodist Church recognises that it has a particular care for all who are vulnerable whether by disabilities or by reduction in capacities or by their situation. It is recognised that this increased vulnerability may be temporary or permanent and may be visible or invisible, but that it does not diminish our humanity and seeks to affirm the gifts and graces of all God's people.

This policy addresses the safeguarding of children, young people and vulnerable adults. It is intended to be a dynamic policy. It is intended to support the Church in being a safe supportive and caring community for children, young people, vulnerable adults, for survivors of abuse, for communities and for those affected by abuse.

Wymondham Methodist Church fully agrees with the statement reiterated in *Creating Safer Space* 2007:

As the people of the Methodist Church, we are concerned with the wholeness of each individual within God's purpose for everyone. We seek to safeguard all members of the church community of all ages.

Wymondham Methodist Church recognises the serious issue of the abuse of children and vulnerable adults and recognises that this may take the form of physical, emotional, sexual, financial, spiritual, discriminatory, domestic or institutional abuse or neglect, abuse using social media or human trafficking (slavery). It acknowledges the effects these may have on people and their development, including spiritual and religious development. It accepts its responsibility for ensuring that all people are safe in its care and that their dignity and right to be heard is maintained. It accepts its responsibility to support, listen to and work for healing with survivors, offenders, communities and

those who care about them. It takes seriously the issues of promotion of welfare so that each of us can reach our full potential in God's grace.

Wymondham Methodist Church commits itself to:

1. **RESPOND** without delay to any allegation or cause for concern that a child or vulnerable adult may have been harmed, whether in the church or in another context. It commits itself to challenge the abuse of power of anyone in a position of trust.
2. Ensure the **IMPLEMENTATION** of Connexional Safeguarding Policy; government legislation and guidance and safe practice in the circuit and in the churches.
3. The **PROVISION** of support, advice and training for lay and ordained people that will ensure people are clear and confident about their roles and responsibilities in safeguarding and promoting the welfare of children and adults who may be vulnerable.
4. **AFFIRM** and give thanks for those who work with children and vulnerable adults and also acknowledge the shared responsibility of all of us for safeguarding vulnerable adults who are on our premises.
